

## Magical Mysteries News & Events

Dearest ,

Magical Faerie Grandmother  
here, to Welcome you to the very  
first email newsletter for Magical  
Mysteries—Boutique, Salon and  
Spa, and for Magical Faerie  
Grandmother.

We hope this communique finds you healthy and well!

I am writing to let you know what is happening in my Magical World!

IF the last several months have left you feeling “dull” and “ordinary”,  
then this should raise your spirits!

While Faires, Shows, and other large events have been canceled or  
postponed since Mid-March, starting **August 2nd**, we are able to see  
private clients, here in our Salon, and we are also able to COME to YOU

for small groups!

If you would like to host a group in your own location, be mindful that we are seeing people on a staggered basis. Approximately fifteen minutes between guests is the safest way to run your event. If you have more than ten people, I will bring one or more extra Sparkle Faeries, so we can see additional guests in each time block.

Remember that there is a minimum of 125 strands needed to be purchased for us to travel to you, plus there is a (new, lower) travel rate of .30 per mile.

I will always be bringing a Sparkle Strand Faerie to help facilitate the process.

In addition, we respectfully ask that you wear a mask from the time you enter the event area, or my Salon, until you leave. This way, I feel a little safer in coming home to my own Little Seedlings (my Grandchildren). I thank you for this consideration!

I will be using this email newsletter to keep you posted as to where I will be, what events we will be attending, and what new items you might find in our Boutique! (that's a hint to an upcoming surprise! To join in on the fun follow us on our Facebook pages [Magical Mysteries](#) and [Magical Faerie Grandmother](#))

We are hoping that the Havre de Grace Waterfront Festival will occur this year, in later August. At this time, Big Lick ComiCon, in Roanoke, Virginia, is on for the weekend of October 31-November 1st. That is followed by FaerieCon East here in Baltimore on the weekend of November 6-8. The other event that is tentatively on the calendar is DavinciCon, in Lexington, VA, the weekend of December 5-6. Since no

one knows what the future of the Covid-19 restrictions will be, these dates are all tentative.

For now, we are seeing people privately. The Salon was designed for one to two people, so you are welcome to make a private appointment as usual. Please use the new entrance on the Salon Deck. (Please remember your mask.)

Please call 410-358-9580 to make an appointment to get “Sparkled”!!!

We look forward to seeing you soon!

Sparkle On, and Stay Safe.

Infinite Love and Gratitude.

Hugs.

Faerie Grandmother
