Magical Mysteries News & Events

Dearest ,

Magical Faerie Grandmother here, Welcome to the August 2020 newsletter for Magical Mysteries—Boutique, Salon and Spa, and for Magical Faerie Grandmother.

Since my last letter, we have been very busy here in the Faerie Realm. Covid-19 (or No Fun Covid, as we've been calling it) has forced more of my trips to visit you to be postponed to 2021. Rather than wallow in sadness, I've done the next best thing! I had my Faerie of Computer Onliness – Faerie Pam, open an online store!!! While we need your physical head to install silk sparkles strand, online we now have Faerie Tailles, Faerie Nectar Blossom Bundles, and Faerie Fidgits for sale. What are these items, you ask? Well, I'll tell you.

Faerie Tailles are yarn falls of varying lengths, fibers, and colors. These Tails attach to your hair with a standard pony tail holder. Faerie Tailles come in five different approximate lengths of 10 inches, 13 inches, 16 inches, 19 inches, and 24 inches long. Each handmade Faerie Taile is unique and adorned with a hand crocheted (by Faerie Grandmother herself!) removable flower pin, which can be used as a separate accessory! Faerie Tailles can be worn as a pair or individually. We also have some Faerie Tailles that can be made into a pair if you desire.

Our Faerie Nectar Blossom Bundles come from our dearest friends, the Honeybee Queen and her many daughters. Each morning as the sun rises the Queen sends some of her daughters out to gather as much nectar as possible to keep the Faerie Realm full of treats and delights. When honeybees gather nectar from the same plant species, the honey produced from that nectar has a distinctive flavor! Her Highness has chosen to share ten different varieties of honey from the Faerie Realm. Each Blossom Bundle is a set of 30 honey sticks with 3 each of the 10 varieties. The varieties included are: Blackberry Blossom, Clover Blossom, California Coriander Blossom, Meadowflower Blossom, California Orange Blossom, Raspberry Blossom, Sage Blossom, Yellow Star Thistle Blossom, Hawaiian Wildflower Blossom, and North American Wildflower Blossom

Faerie Fidgets are our fun arm spinners, they are the faerie version of fidget spinners but bigger and more fun. You can make them dance from arm to arm. There's even a video of me dancing with them.

In other news, No Fun Covid is forcing many festivals and fairs to cancel or go virtual. Before you say "Faerie Grandmother, we know this!" let me finish! This weekend (Friday August 21, 2020 through Sunday August 23, 2020) Faerie Worlds, the West Coast cousin of FaerieCon, has gone virtual! Since we are vendors at FaerieCon, Faerie Worlds has generously invited us to be one of their virtual vendors. Please take some time this weekend to visit us and all the other online vendors and performers.

Speaking of festivals we are still planning on attending Big Lick ComicCon in Roanoke, VA and FaerieCon in Baltimore, MD. I will continue to update you as we move closer to those dates.

I'm still continuing to seeing people privately in my Salon. The Salon was designed for one to two people, so you are welcome to make a private appointment as usual. Please use the new entrance on the Salon Deck and remember your mask. Please call 410-358-9580 to make an appointment to get "Sparkled"!!!

We look forward to seeing you soon!

Sparkle On, and Stay Safe.

Infinite Love and Gratitude.

Hugs.
